The town of Hanson has approved the Hanson Community Gardens, sponsored by Green Hanson. Garden plots are located on High Street behind the Extension Service building; 10x20 foot plots are available on a first come-first serve basis. You must be a Hanson resident to obtain a plot. No harmful fertilizers or pesticides please. Keep it green! Sign up forms will be at Town Hall and the Library/Senior Center. Turn your forms in to the senior center or the selectmen's office in care of Jim Armstrong, selectman. For more information, send an e-mail to greenhanson@gmail.com
