## What's next for Green Hanson

BY MARIANNE DIMASCIO  
WEDNESDAY, SEPTEMBER 15, 2010 03:56 PM

**READ'S VIEW:** We've been quiet this summer but are ready to gear up for the year. A few of us on the Executive Committee are meeting at the Hitching Post for dessert on the 16th of September to discuss what's next for Green Hanson. We've made great headway over the three years of our existence and want to consider what we want to do next. We invite you to join us at 7:30 p.m. (Please let us know if you are coming so we can save seats). If you can't make it, but have ideas or an interest, please respond with your thoughts.

Are you interested in: local food, gardening, farmer's markets, saving money and energy, wind or solar, transportation, community action, clean ups, learning to weatherize your home, rain barrels, pesticide-free lawns, biking and walking, sidewalks, pot lucks, other?

What's your hope, pet project, pet peeve (in the 'green' arena)? We'd like to hear from you. Also, we have 4-5 bags of Pearl's Premium Grass Seed for sale at \$26 a bag.

Join us on Sept. 16 and share your thoughts and ideas.
